Re: EIS Task Force - Jackpile (Laguna)

Dear Mr. Nelson:

Please accept this letter as a positive response to your letter to me in which you requested my participation on the EIS Task Force. As a Task Force member I would like to routinely have the assistance of the Pueblo's CERT consultants as well as Ron Solimon, who is currently managing the natural resource activities of the Pueblo of Laguna. In my absence, Mr. Ron Solimon will be authorized to represent the interests of the Pueblo.

Thank you for your assistance and cooperation.

Sincerely,

PUEBLO OF LAGUNA

  
Harry D. Early  
Governor
